### Platform Statement:

I have been honored to serve as your CPC President for the last 2 yrs. and I am seeking your vote and continued support for the next 2 yrs.

As President of the CPC Leadership board, I have had the privilege to learn, laugh and grow from all the Chapters and Affiliates, which welcomed me warmly. We can make a positive difference! The changes that were implemented for our meeting structure last year encourage open and honest involvement in a respectful environment with your peers. I believe that in the next two years, we can provide more ROI, allowing your local chapters and affiliates to benefit from our collective experiences and expertise.

As the travel industry continues to grow and change, I would be thrilled to continue being the voice of our group. I am extremely passionate about this industry and strive to make a difference every day.

There will be challenges ahead of us, but together, we can continue to transform and improve this industry. My hope is that this group continues to grow as we work with GBTA to ensure

the best education, networking opportunities, and safety for our travelers. I would sincerely appreciate your support and vote for CPC President.
